- NutraGelatin

Polyols

**Erythritol • Xylitol
 Maltitol • Sorbitol**

A Sweet Solution

NutraPolyols™

A Sweet Solution

What Are NutraPolyols™?

NutraPolyols are a full range of low caloric and low glycemic sugar replacers. All our sweeteners are produced from corn and corn derivatives or sugar ingredients.

In addition to a quality product, we also provide formulation support.

Applications

- Food and beverage
- Confections and gum
- Oral hygiene products
- Pharmaceuticals
- Dietetic products

Fast Facts
